## ABOUT ME

---

I am the oldest daughter in my family. My parents run a small market stall, and from an early age I learned the importance of responsibility and helping to support my younger siblings.

I am particularly interested in languages, communication, and international cooperation.

## MY STORY

---

Throughout my school years, I have actively participated in school projects and extracurricular activities. These experiences have helped me become more confident, organized, and motivated to continue learning. My teachers describe me as reliable, hardworking, and eager to learn. They have encouraged me to pursue higher education and continue developing my skills.

## MY GOAL

---

I would like to study business administration and later work in the education or tourism sector.

My goal is to build a successful career while contributing to the development of my community and creating opportunities for future generations.

## PERSONAL MESSAGE

---

Thank you for taking the time to learn about my story. I enjoy meeting people from different backgrounds and learning from their experiences. I believe that education creates opportunities not only for individuals, but also for families and communities.
